HUELSMAN MAY LEAVE SALT LAKE

Salt Lake, Jan. 16.—The Salt Lake club is threatened with the loss of Frank Huelsman.

Huelsman has written an earnest request for his release. He says he has an offer to manage a team in Akla-homa and that he would like to take it up. The offer he says is very alluring. Huelsman says that he came to the Salt Lake club last year with the distinct understanding that he was to be a free agent at the end of the season should a managerial position come his way. Now that the leadership of a good club has been tendered him he would like to be officially let off by Salt Lake.

As soon as the letter was received there was much alarm.

"We surely can't afford to let the big fellow get away from us," declared President George O. Relf.

Whereupon Mr. Relf sent some sizzling telegrams to Herbert Hester, Salt Lake's manager for 1914, directing him to get in touch with Huelsman at once and to leave nothing undone to induce the hitting wonder to join hands with Salt Lake again this year.

Huelsman is at his home in St. Louis.

It would certainly be a calamity were Salt Lake to lose Huelsman. Last year Huelsman batted .422. He participated in 122 games, which is the number Salt Lake played, meaning that the big fellow was in every game. He got exactly 200 hits, 22 of them home runs, 20 three-baggers and 36 doubles. He batted in 126 runs.

Washington two years ago with a capital stock of \$250,000 to lend money on farm mortgages, really had no money to lend and duped prospective borrowers by charging an examination fee of one per cent on the amount of the loan desired. The money obtained in this way, the government alleges, was diverted to the use of the officers of the company, and no farm loans were made.

Postoffice inspectors say the company had agents in all western states and at one time operated extensively in Utah and California.
